“ *Deepest condolences to Vivian's family. She was a dear cousin of my Mom, Dorothy Finger (Frey). I still remember the first time I visited Vivian and Reinie's home and fell in love with her turquoise kitchen appliances. The love for antiques and collecting runs deep in the family. I was amazed with her beautiful displays , and could definitely see the connection with my Mom. We are saddened by the loss, but joyful in knowing that she is experiencing that joyful reunion in heaven with loved ones gone before. The Easter message that Jesus has risen is always our source of comfort and hope when death overcomes a loved one. With Sympathy, Susan (Frey) and Lance Wice*

“ *To the Laubhan family, I am sorry for the loss of your dear love one. Soon it will be a time where death will be done away with. In the Bible, Rev 21:4 it says: "And he will wipe out every tear from their eyes, and death will be no more , neither will mourning, nor outcry, nor pain be anymore. The former things has passed away." With Sympathy.*

“ Sending my sincerest and heart felt condolences to the family of Vivian during this difficult time. Vivian was a friend of my mom's Joan "Cronkright" Gibson for as long as I can remember. I just wanted to let you know you're all in my thoughts and prayers. I met your mom a few times when "the girls from Symon's Brothers" would get together for lunch in their later years. I often helped mom with addressing her Christmas cards and always sending one to your parents. I even ran into them at the V.A. Hospital as my dad Harry and your dad Reinie had appointments the same day. Your parents were wonderful people. Cherish those precious memories you shared together until you meet again. May she rest in peace.

“ John, Tom, Ann, Paul and your families, you have my deepest sympathy. I have a lot of memories with your family. Growing up on Benjamin and having so much fun. Your family was like a 2nd family to me. I will always remember the fun times that we had and will never forget Zagnut candy bars that your dad used to bring home. May she rest in heaven with your dad and mine. Until we all meet again for the big block party may you find comfort in your memories of your mom.

“ We remember driving to Suttons Bay years ago with Vivian and Reinie and getting to know them much better, along with their precious little white dog. Of course, we and they are grandparents to our special grandson, Bryan. We will miss you, Vivian.
