“ To The Hufton Family,  
I'm very sorry for the death that you've experienced in your family recently. There are some scriptures found in gods word, that have encouraged me in the past when it comes to losing one of our loved ones. John 11:25 says... "He that exercises faith in me, even though he dies, will come to life."  
I also agree with the bible when it says at Acts 24:15... That "there will be a resurrection, of both the righteous and unrighteous"! Revelation 21:4 states " Death will be no more." "The former things have passed away." What a wonderful time to live when these scriptures will be fulfilled!  
My thoughts and prayers are with you at this difficult time.. please know that I'm thinking of you and your family during this hardship.  
Thank you for your time,  
Sincerely,  
Caleb Aniol

“ Dad used to say; " We're off to see the wizard!" when we went on trips. How he ever endured the hours of rock n roll on the way to the races and back I'll never know. He was a pillar of courage, respect, and responsibility. Dad was a constant and consistent guide in my life.

“ I am sorry to hear about the loss of your dearest Wilfrid. My family and I wanted to send our deepest symapthy to you and your family. I wanted to share a comforting text found in God's Word at Isiah 25:8 where it says in part that death will swallowed up forever. I hope that you and your family find this text comforting as it did me and my family in the diffcult times you are facing with your loss.
