“ *One of my favorite memory is time we spent going to Boy Scout camp. He did a wonderful job with all the kids. They all enjoy themselves and learned something about themselves through him. He truly made a difference in so many young lives.*

“ *Bill was an active father in his childrens life. He always came to all of their basketball games. I liked the name they gave their daughter so much that i talked my sister into naming her daughter after Anta. What an wonderful man God has taken home.*
